Top 10 Safety Tips

How to make your house a safe home:

- Fit a smoke alarm and check it regularly
- Make a fire action plan so that everyone in your house knows how to escape in the event of fire
- Take care when cooking with hot oil and think about using thermostatically controlled deep fat fryers
- Never leave lit candles unattended
- Ensure cigarettes are stubbed out and disposed of carefully
- Never smoke in bed
- Keep matches and lighters away from children
- Keep clothing away from heating appliances
- Take care in the kitchen! Accidents whilst cooking account for 59% of fires in the home
- Take special care when you are tired or when you've been drinking. Half of all deaths in domestic fires happen between 10pm and 8am.
